

Palemkota Naveen | 3+ Years | ReactJS Web Developer Software Developer

Email: palemkotanaveen@gmail.com | **Contact:** +91 7793979301

Portfolio: <https://palemkotanaveenportfolio.netlify.app>

Professional Summary

Proactive Frontend Developer with 3+ years of experience crafting responsive, scalable web applications using **React.js**, **Node.js**, **JavaScript (ES6+)**, **HTML5**, and **CSS3**. Skilled in designing intuitive user interfaces and boosting performance through efficient component architecture and state management. Versed in Tailwind **CSS**, **SCSS**, and **Bootstrap** for building modern, accessible designs. Collaborates effectively with cross-functional teams, integrates RESTful APIs seamlessly, and adheres to clean coding standards for maintainable, high-quality solutions.

Technical Skills

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Node Js

Styling Frameworks: Tailwind CSS, Bootstrap, MUI, Scss, Less

State Management: Redux

Tools & Platforms: Git, GitHub, VS Code, npm, Figma

APIs & Integration: RESTful APIs, JSON

Other Skills: Responsive Web Design, Mobile Design, Cross-browser Testing, Debugging, UI/UX Optimization

Work Experience

Software Developer | Infinite Computer Solutions | Aug 2022 – Present | Hyderabad, India

- Developed and maintained **frontend components using React.js**, enhancing app **performance and modularity**.
- Created responsive and user-friendly interfaces ensuring seamless user experience across devices.
- Worked closely with backend teams to **integrate REST APIs for dynamic data** rendering and improved functionality.
- Refactored legacy components into **reusable and efficient functional components** with hooks.
- Contributed to **UI consistency** and accessibility using Tailwind CSS and Bootstrap.
- Collaborated with QA teams for testing, debugging, and **maintaining code quality**.

Projects

Spotlight: Barrel Fuel Platform – Aviation Fuel Ordering System | Tech Stack: React.js, JavaScript, SCSS, Bootstrap, RESTful APIs

- Designed and developed the complete frontend architecture for the Barrel Fuel Platform using modular React.js components.
- Built responsive and interactive UI elements to ensure seamless user experience across all devices.
- Enabled seamless communication between frontend components and backend services for dynamic data handling.
- Built interactive tables and structured SCSS modules to ensure maintainable styles and consistent UI across components.
- Created reusable styled-components to enforce consistent design patterns and streamline collaboration across the frontend team.
- Refactored legacy code into reusable functional components using React Hooks and state management best practices.
- Collaborated with QA, design, and backend teams to ensure smooth integration, consistent UI, and reliable performance.
- Designed and developed a visually engaging landing page with responsive layout
- Provided ongoing maintenance, bug fixes, and feature enhancements to support platform stability and scalability.

MS_SSP: Medical Services Portal| Tech Stack: React.js, JavaScript, SCSS, Bootstrap, RESTful APIs

- Designed modular React components with clean architecture, enabling faster development cycles and easier feature expansion.
- Improved customer experience with responsive layouts, optimized images, and dynamic filters.
- Ensured cross-browser compatibility and conducted regular testing for performance and reliability.
- Analyzed requirements to design frontend application pages and improve code performance
- Integrated RESTful APIs to fetch and manage real-time user data, secure access, and transactional operations across the platform.
- Implemented responsive web design techniques to ensure consistent layout and functionality across mobile, tablet, and desktop devices.

Education

CMR College of Engineering & Technology, Kandlakoya, Hyderabad, Telangana

Bachelor of Technology (B Tech) | Graduated in 2022

Achievements & Awards

- **Quarterly Performer Award** – Honored for consistently exceeding performance goals and delivering high-impact results across key projects.
- **Performer of the Month Award** – Recognized for exceptional contribution, dedication, and excellence in project execution and team collaboration.

Personal Details

Full Name: PalemKota Naveen

S/O: Palemkota Eswaraiah

Marital Status: Single

Phone Number: 7793979301

Nationality: Indian

Languages Known: Telugu, Hindi, English

Current City: Hyderabad

Preferred Roles: Frontend Developer / React.js Developer / Web Developer

Declaration

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief. I take full responsibility for the correctness of the details mentioned.

Palemkota Naveen.
